Tactile paving

The diagram is a cross-section of a staircase. It features a handrail on the left side, supported by a vertical post. The handrail is labeled 'Steel powder coated handrail to meet the requirements of Building Regs Part M'. The staircase steps are labeled 'Marshall's Conservation step units'. The dimensions are as follows: the handrail has a width of 300; the first step has a width of 800 and a depth of 400; the second step has a width of 400 and a depth of 150; the third step has a width of 400 and a depth of 150; the fourth step has a width of 800 and a depth of 400. The ground level is indicated by a horizontal line with a triangle symbol and a value of 31.125. The handrail is at a height of 900 from the ground level. The top of the handrail is at a height of 31.225. The bottom of the handrail is at a height of 31.205. The ground level is also indicated by a triangle symbol and a value of 31.205. The area around the steps is labeled 'Tactile paving'.
