Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	This will be a welcome addition to the local area. More people now live in East Grinstead and the surrounding location hence more parking for events at Saint Hill, the Rugby Club and other associated activities is a natural and needed progression. It will

increase the safety around the local area and also the access for the many people who attend these events. These events include such gatherings as Bon Fire Night, Christmas events and Easter to name a few. As a neighbour to the area, living literally 1 minute from the area I strongly support this initiative and all the extra good it will bring to the immediate surroundings.

Kind regards
