Address: 26A High Street East Grinstead

Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	When big events occur at Saint Hill, the Saint Hill Road gets congested and there is just not enough parking spaces. People end up parking along the road, which can create a hazard as there is no pavement, or at the Rugby or Hockey Club, which is

fine, but they have their own patrons to think about. There are now many public events occurring and many visitors coming at Easter, in Winter for the Xmas market, the ice rink, etc, as well as the large event in October. I think it would enhance safety and would clear up the road faster when there are major events/gatherings, which would be good for the neighbours. So I'm in favour of it.

Kind regards
