Subject: DM/25/1394 , extension and associated developments at the old North End School , North End , East Grinstead.

[REDACTED]
[REDACTED], I join my neighbours in raising serious concerns about the above planning application which involves expansion of the current Child Care facility at the Old North End School.

It is a difficult and congested site to provide safe access to and from currently, with existing numbers, in an often very congested part of the A22 so it is difficult to imagine how increasing the use of the building and the associated increase in traffic congestion in this area is sensible or desirable.

Similarly I have concerns about any increase in noise and disturbance that will inevitably ensue from any increase in numbers of children and staff at the facility.

Basically then I am registering my objection to this proposal.

Sincerely , Chris Nichols.
