

A schematic diagram of a rectangular structure. A central vertical dashed line divides the interior. On the left side, there are two rectangular insets, one in the upper half and one in the lower half. A diagonal line runs from the bottom-left corner towards the center. The top edge has a small rectangular protrusion on the right side.

GENERAL NOTES:

1. THIS DRAWING IS TO BE USED FOR THE CONSTRUCTION OF BENTLEY'S CARTER AND IS NOT TO BE REPRODUCED IN ANY WAY OR FORM WITHOUT PRIOR WRITTEN CONSENT
2. Do not scale from this drawing unless planning purposes
3. All dimensions to be verified on site prior to any works starting and any discrepancies to be reported to Bentley's & Carter
4. This drawing is to be read in conjunction with relevant consultants and specialist drawings
5. All works to comply with the relevant British Standards, Codes of Practice and Building Regulations

REVISIONS:
none
