Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	We object to the signage and proposed opening hours. The bright yellow signage is out of character and not keeping in line with the High Street and surrounding area. Why do we need another vape shop, this really is not something we want to be promoting. The vicinity it is in is right by Victoria Park, that is currently being developed to attract more people visiting, of course young people, plus next to residential houses.
-----------	---

I also object to the proposed opening hours, why do we need a shop opening this late. This will just encourage loitering and antisocial behaviour, increase litter, parking and noise, impacting on the park and the local residence.

We therefore object to both

Kind regards
