[REDACTED]
Hi Andrew,

Thank you for the plans relating to the above application. On appearance it does not look to different from the previous one. The only concern is the left hand elevation as this wall to the barn is the boundary to our property. So we would oppose any access through the side door which I believe would be blocked off due to the internal staircase and any excavation along this wall for ground beams and pipes etc. Otherwise we would not have any objections with any of the house and barn improvements. Please contact me if you have any questions. Regards [REDACTED] Rowfant Mill.

Hi Andrew,

Have received an amendment from the original details but cannot get them up to view. Could you confirm if there are any changes to the barn that would be different to the previous photo I sent you, attached. If there is we would be against such changes. regards [REDACTED] Rowfant mill.

Dear sirs,

Thank you for the application regards the above property. As adjoining neighbour at Rowfant mill, we have studied the the plans and have no objection to the rear house extension and internal proposals. we also agree with the barn alteration providing the outside appearance remains the same as the attached photo. keeping the same windows and barn doors. Adding anything else I believe would be detrimental to its historical past. please contact me if you wish to discuss any concerns. my telephone No is [REDACTED] Regards [REDACTED]
