Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Another excuse to ruin local green space with no thought to how unsuitable this site is for development Single track road, current green space for grazing animals, walkers, ramblers to be in nature for mental health and well being Local services already stretched, schools, dentists (of which you still can't find) GP's , Water board can't cope with current amount of properties in the area let alone adding to demand as was shown with current supply being off Leave our green space

Kind regards
