Comments Details

Comments:	Objection – Committee agreed that this planning application would set an unfortunate precedent for future applications proposing similar developments, which could have a detrimental impact on the character of the Woodhall/Bylanes neighbourhood. Committee also noted the property's close proximity to a listed building, the Old Chapel at Chapelfields. Reference was made to policy CNP10 (a) of the Cuckfield Neighbourhood plan which states that "a building extension will be permitted where it meets the following criteria: a) the scale, height and form fir unobtrusively with the existing building and the character of the street scene."
