Dear Becky

Re: Installation of a 27.3m (total height) lattice tower with 9 antennas, 3 GPS nodes and 12 cabinets with associated works at Ockley Park, Ockley Hill, Hassocks

Our Ref: LGW5819

Thank you for your email dated 08 April 2025, regarding the above-mentioned proposals.

I can confirm that the above-mentioned works at location 531170,117513 and as shown on drawing title 'West Elevation Proposed' dated 06/03/23 is acceptable from an aerodrome safeguarding perspective.

If the height or location changes, I would be grateful if you could reconsult us, thank you.

Please be advised that the advice given is informal and without prejudice to the consideration of any planning application which may be referred to us pursuant to Planning Circular 01/2003 in consultation under the safeguarding procedure. It cannot be assumed that any response to consultation under Planning Circular 01/2003 will necessarily coincide with the informal advice now given. We will not have any liability to you or third parties who may follow this advice.

It should also be made clear that provision of this advice does not constitute support for the development nor an opinion that the development is acceptable under local planning policy.

If you have any queries, please do not hesitate to contact me.

Yours sincerely

Amanda Purdye, Aerodrome Safeguarding Officer
For and on behalf of London Gatwick
