Details of the pre-application advice received

Pre-application advice on the construction of one new dwelling on the site was provided by MSDC Planning Officer Hamish Evans, by email, on 16 September 2025 (ref. DM/25/1875). This advice followed a meeting on site with Hamish Evans, the applicants and their architect.

In response to this advice, the height of the garage has been reduced, the north elevation has been better animated and the building has been moved further west from the oak tree to allow more light into the building.

Please refer to the Design and Access Statement and the Planning Statement for further details.
