

Side Elevation [North -A]
No demolition proposed

Front Elevation [East -B]
No demolition proposed

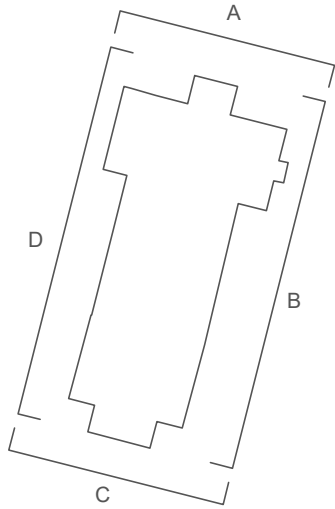

General Notes

Client to check all drawings, documents and schedules to ensure the interpretation of the brief is correct. All dimensions to be verified on site before materials are ordered or construction commences. Any differences arising between these documents and site conditions are to be referred to the architect and engineer. The contractor must check all dimensions before commencing work and report any discrepancies to the architect and engineer.
