Hi Jo,

Can I check that this is an application to discharge conditions for Borde Hill DM/25/3104, as the application form shown online is for something else.

The CEMP looks reasonable however they have listed working hours as starting at 07.30 Monday to Friday. Our recommended hours for construction are 08.00 to 18.00 Monday to Friday. If the hours of construction can be changed on the CEMP, I can recommend that condition 3 be discharged.

Please note, the site working hours stated on the CEMP for Saturdays and Sundays/Bank Holidays are acceptable.

Kind regards,
