Commenter Type:	Business or other organisation
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am fully in support of these proposed professional plans. Another top class training facility in Sussex will be an excellent addition for the equestrian community. The plans look to be top class and in keeping with the surroundings. Sussex is such a huge equestrian population with so many top class stables and show facilities in

our county it is great to see such attention to detail in another potential equestrian set up.

Kind regards
