| Comments:            | I write to give full support to the planning application. This is an amazing opportunity that will enhance county life, it will make a great family home and facilities which will make the country side so much more fitting for equestrian life. This proposal would bring a run down site back into positive use which would benefit the |

local area. The removal of any existing buildings would improve the visual appearance of the area. This is a very positive build for the country side and the use of the surrounding land.
