Hi James,

...As previously mentioned I would recommend withdrawing and submitting a lawful development certificate as the works look to be permitted development. Your clients had fee exemption relating do disability requirements of which a proposed lawful development certificate also has the same exemption I believe.

Kind regards

Peter

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
