Hi Hamish,

This information now provided will suffice and all that will need to be conditioned is adherence to the AIA and TPP.

Kind regards

Emma

Hi Emma,

Please find attached additional information following your attached consultation response. Please could you confirm that the recommended pre-commencement condition is no longer required?

Also I am hoping to take the application to the 9th April Committee so please could you provide a response this week?

Thank you,
Kind regards,
