Reasons for comment:

Comments:	<p>We have concerns over the volume of traffic already down West Hill. It is already a major route in and out of the town and with the new housing estate just up Turners Hill Road we have seen a marked increase in traffic.</p> <p>The parking is already of concern and the road narrows towards the top of West Hill and cars park up there along the bend already causing problems as you cannot see round the bend. The volume of traffic this new development will bring will increase this causing more issues. Vehicles travel way too fast up and down west hill</p>
-----------	---

and pulling into and out of the entrance of the proposed development could cause accidents.

Kind regards
