Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the plans submitted by the newsagents. The proposed plans will harm the natural landscape of the village High Street and the construction of the build will add a much hindrance to an already crowded village. We need to preserve the exterior of original buildings within the village instead of adding irrelevant extensions. Handcross has no use for a large supermarket, this newsagent is sufficient enough. Residents move to remote

villages to escape hustle and bustle and extending a newsagent's
will only cause disruption.

Kind regards
