Haywards Heath West Sussex RH17 5DA

Dear Rachel,

Thank you for reconsulting the Flood Risk and Drainage Team on the above application.

We have reviewed the latest plans submitted on 16/01/26 and as per our previous comments of 25.09.2025, we have no objection to the proposal development on flood risk grounds.

Drainage should be managed via Building Regulations and Building Control, as necessary.

Best Wishes
