Reasons for comment:	
Comments:	The event each year brings many people supporting the local hotels and hospitality businesses in the area. The car parking being available for the sports centres neighbouring St Hill will allow free and safe traffic flow on the St Hill road as it gets dangerous on the road when there is a big sporting event at both the Rugby club and East Grinstead Sports centre on St Hill road The yearly charity concert is essential for keeping organisations like the Age UK in the South East, the Life boats and the Queen Victoria Hospital providing the services they do for the benefit of the local community in West Sussex and surrounds
