Subject: Summer House The Chelsea - Mildenhall | Suffolk - HSP

[redacted]

Thank you for coming out today. Please see below a photo of the summerhouse and I wanted to clarify that the area of hard standing around the building will be no more than we have already.
Do let me know if you need any more information
Kind regards
Annabel

A garden building is best described by the use it is put to. We donâ€™t just make summerhouses, garden offices, pool houses or gazebos; we make all of them, beautifully.

The Chelsea Summerhouse

A stylish and versatile summer house with bi-folding doors.

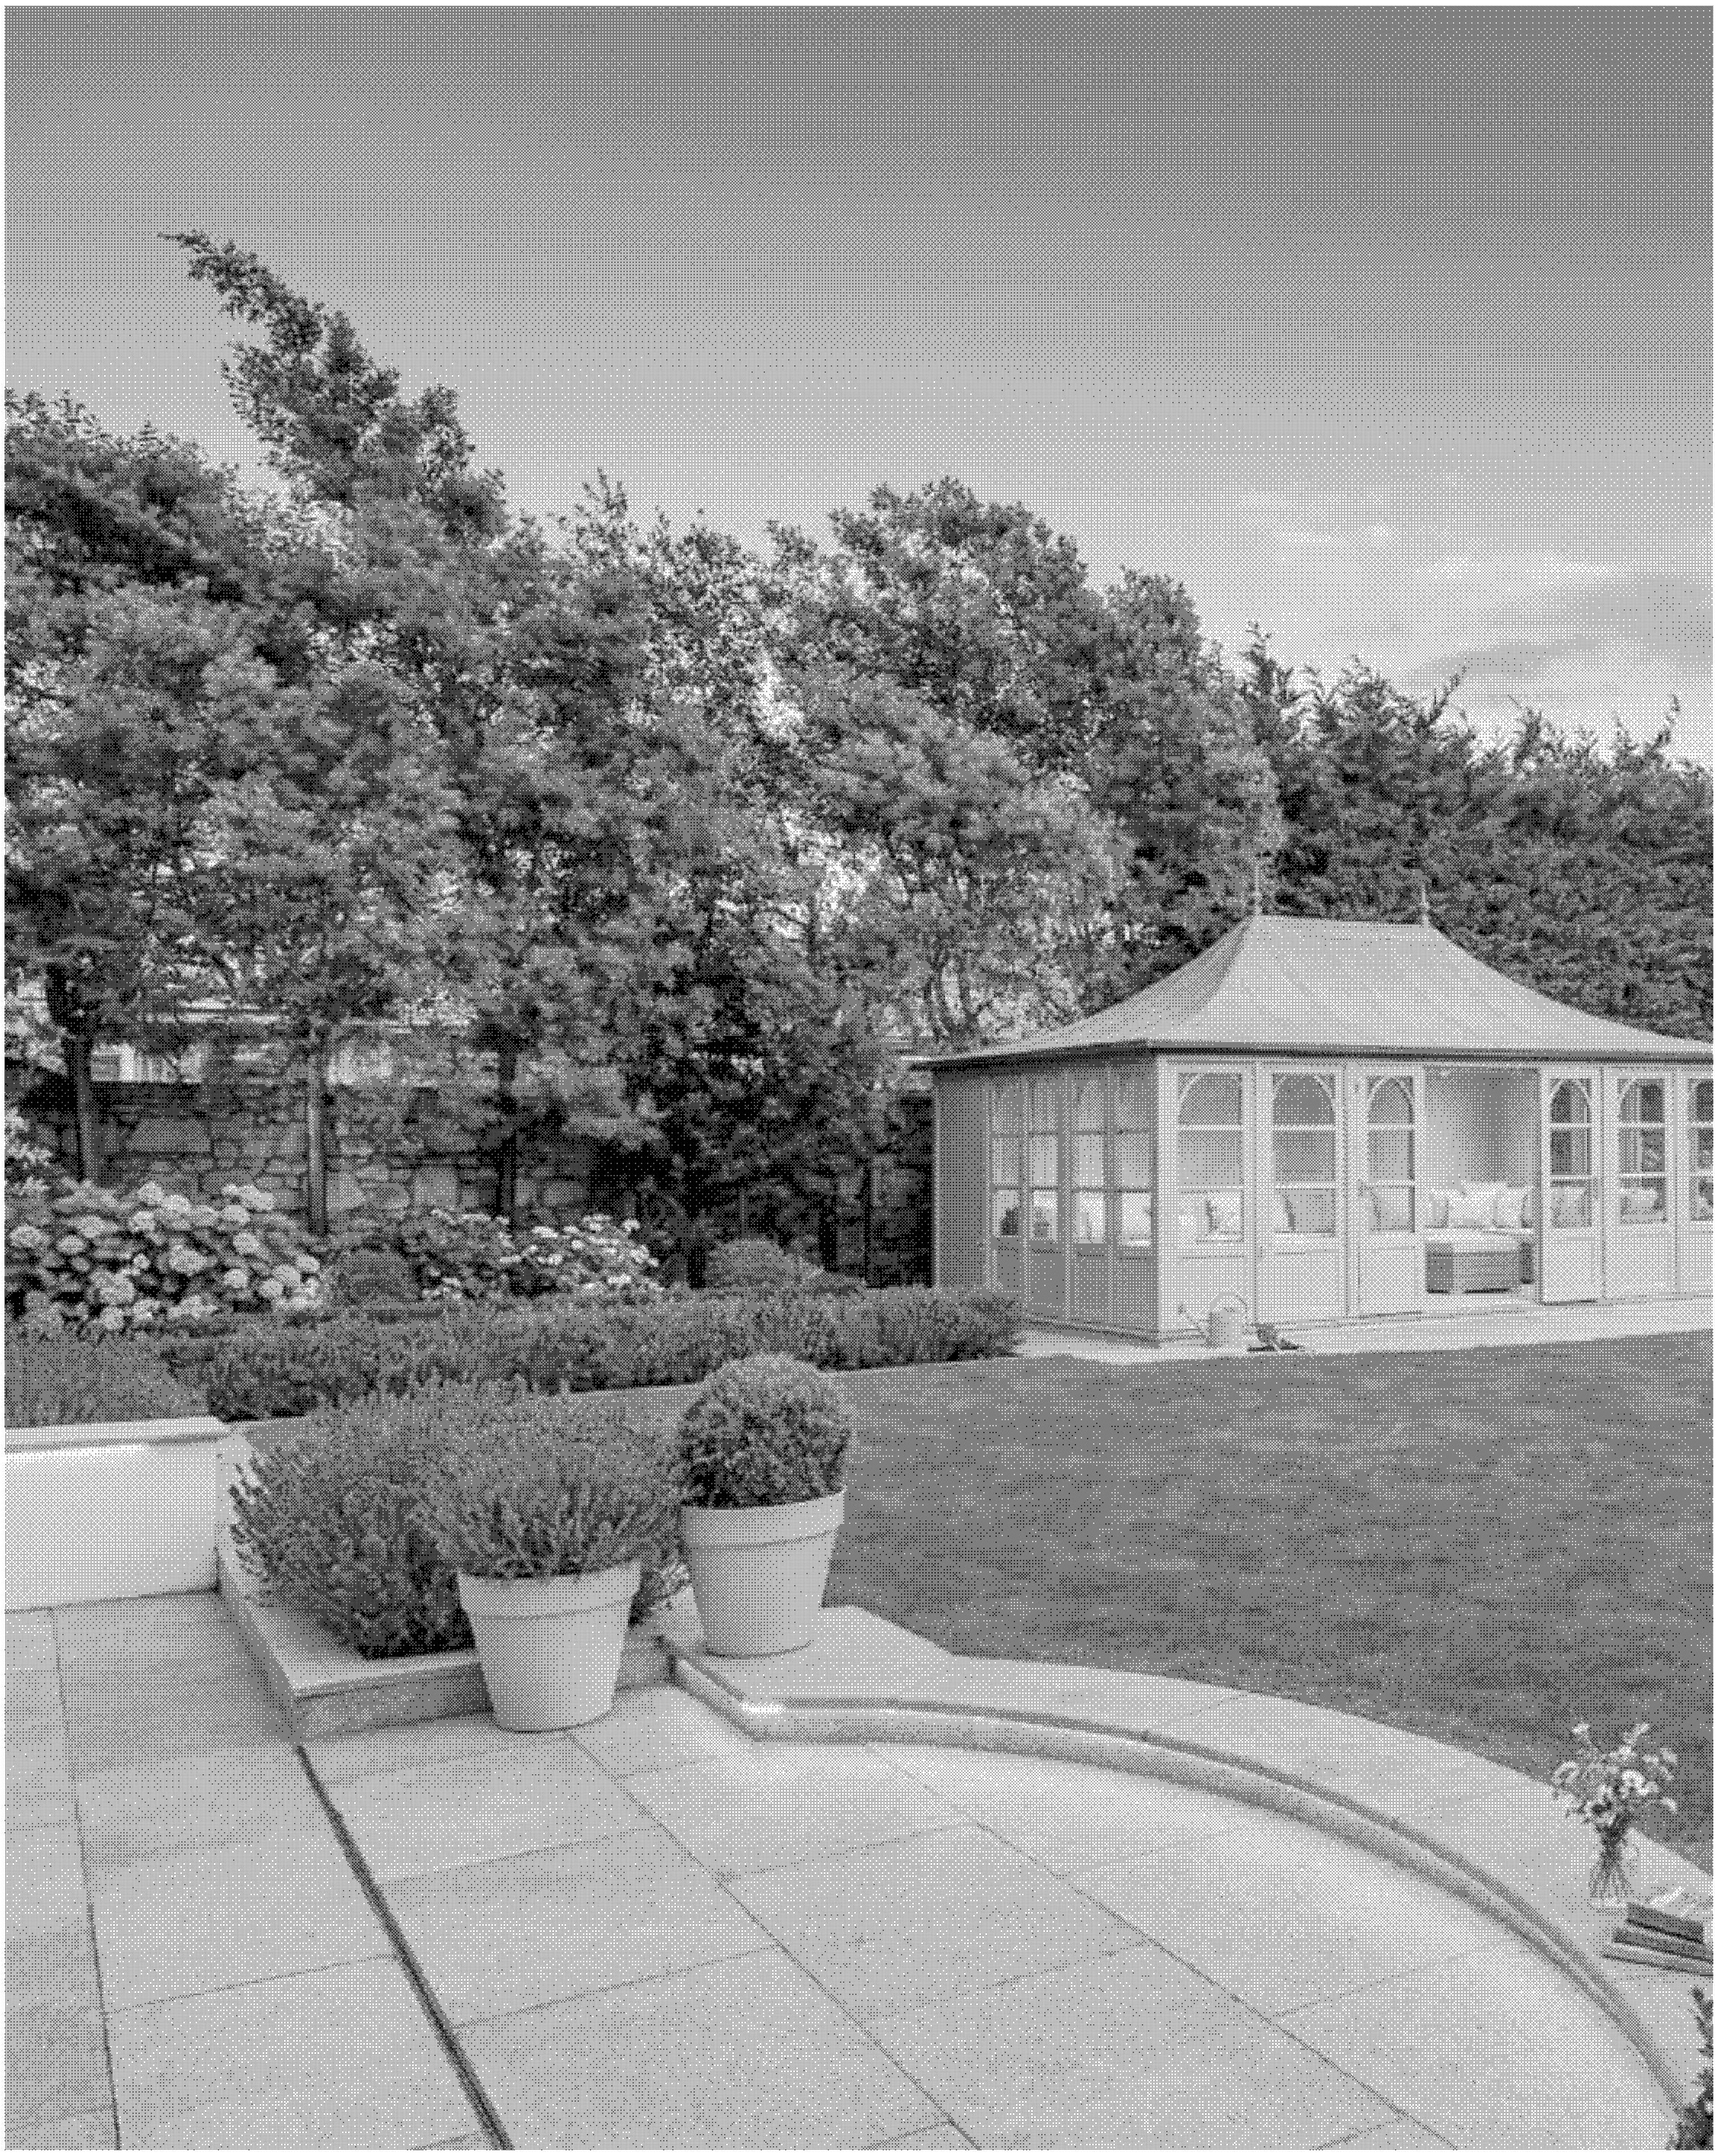

The Chelsea Summerhouse is a stylish and versatile summer house that is perfect for a variety of uses. With its bi-folding doors, it can be opened up to create a spacious and airy space, or closed to create a snug and cosy sanctuary.

The Chelsea Summerhouse is available in a wide variety of sizes, so you can choose the perfect one for your garden. It is also available with a variety of customisation options, so you can create the perfect summer house for your needs.

The Chelsea Summerhouse is made with high-quality materials and construction, and it is sure to last for many years to come. It is also available in a variety of colours to match your garden décor.

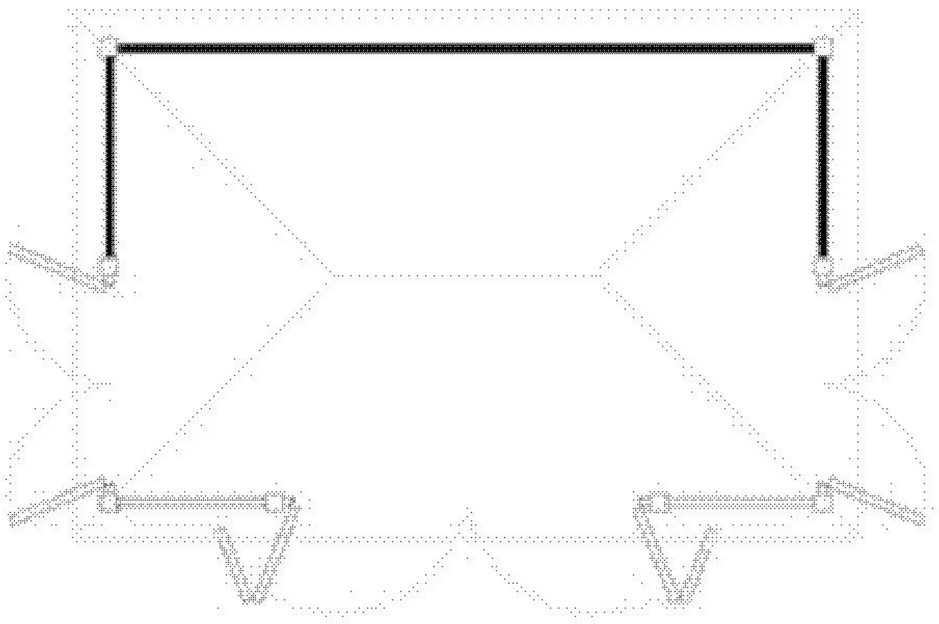

Whether you are looking for a place to relax and unwind, or a quiet space to work or create, the Chelsea Summerhouse is the perfect choice for you.

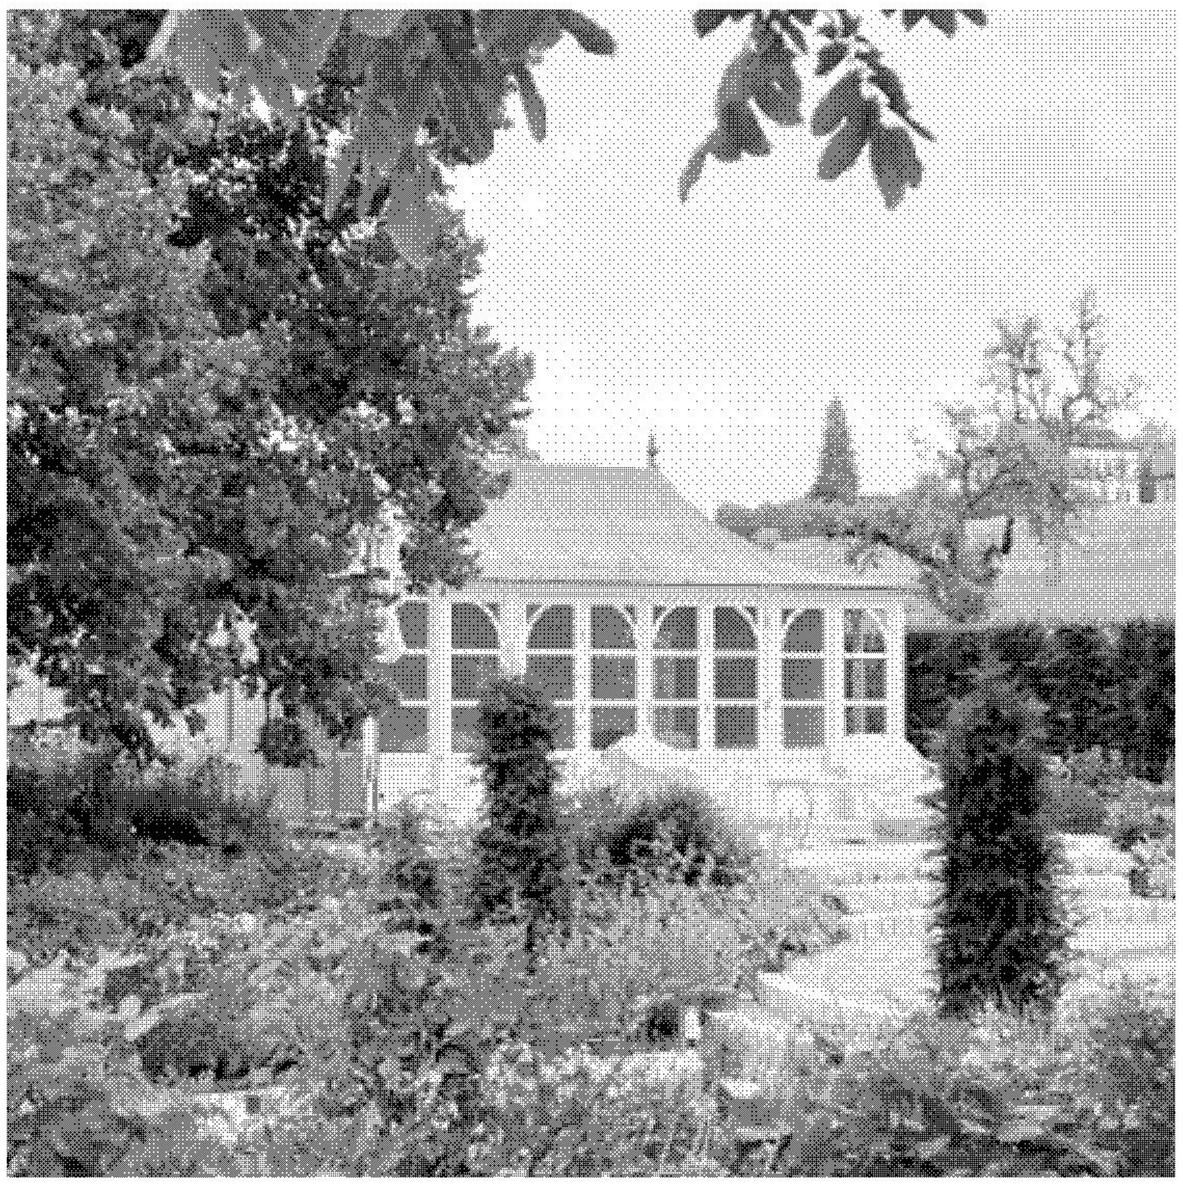

Contact us today to learn more about the Chelsea Summerhouse and to start customising your own.
