Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Burgess Hill is severely lacking in accessible, affordable sports facilities for the current and future size of its community. It is vital that more all-year round (ie indoor/undercover) sports facilities are constructed which do not require expensive membership. It is virtually impossible to get a booking at the one existing court at the Triangle. With evidence from this last winter's weather, climate change is making outdoor tennis a potentially dangerous option in the

winter, due to constant rain and wind. Tennis is a very healthy activity, to be encouraged for all.

Kind regards
