Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am very pleased to hear that this overbearing, extremely high conifer is going. It's close proximity to my house is such that I have to state its existence on my property insurance details. Due to its size, it has a significant overbearing impact on my garden, causing an immense amount of unwanted shade. I really look forward to this non-native tree being taken away. Thank you

Kind regards
