Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	In my comment of support sent earlier today, I should have included the following information: My garden and house are on the other side of the beech hedge and conifer at 1 St Nicholas Court. My garden slopes very significantly downwards away from the hedge and conifer, thus increasing the impactful and obstructive height of the conifer to my garden, particularly regarding its shading of my garden. The long native beech hedge is a feature. If the non-native conifer

is allowed to remain, its growth would cause an even larger obstruction to the beech hedge, resulting in a larger hole/gap in this hedge than there already is.

Kind regards
