Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I don't believe that this adds any intrinsic value to the Slaugham village or the wider community. I don't believe that the current owner has any interest in developing this for his own use, at least not as a regular residence. I think it would merely act as vehicle to seek further development on the site.

Kind regards
