Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Happy to support Mr Roberts application for case ref DM/24/3060 Work carried out on front of building has significantly improved the visual appeal of the property which before was tired and rundown. Parking in Hurst is becoming increasingly more difficult and the erection of the car port which is out of sight from the road will take one car off of parking in the road.

Kind regards
