[REDACTED]

Good afternoon Ms Dubberley

I would like to express my support for the planning application to have an Aldi in Haywards Heath ref DM/25/0188.

I live in Haywards Heath and the supermarkets we have locally are too expensive ie Waitrose, Sainsburys and M&S. None of them can compete with the low prices that Aldi can offer. With the cost of living so high, I think Aldi would be an asset to the local community.

I understand the date to express my support for the application may have passed but hoping all correspondence would still be considered before the determination deadline.

Kind Regards
