Dear David Rogers,

Re: 106 Franklynn Road, Haywards Heath

Method of constructing above driveway

Remove all shrubbery
Approximate area to shingle 80 square metres
Excavate and remove drive to a depth of 200 mm
Supply and lay terran
Supply and lay approximately 150mm of type 1 stone
Edge driveway with flat topped edgings where required (as discussed)
Supply and install acco drainage into existing drainage in front of garage
Supply and lay 50mm of 20mm shingle over driveway
