Reasons for comment:	
Comments:	This application should be refused. Apparently there is a huge need for housing in Mid Sussex and instead of dumping thousands of new homes on Burgess Hill, build some of them on this site. In addition, HH already has 2 supermarkets within a few hundred yards of this site so another one is not needed. Perrymount road is already extremely busy and in a very poor condition and the roundabout quite often gets fully jammed up and

this will just add more traffic and make it worse. MSDC yet again
need to wake up and get a grip.

Kind regards
