Dear Sir / Madam,

**ORMECOTE, BROAD STREET, CUCKFIELD**

I have spoken to Mr Stephen Bryan regarding his new Householder Planning application which is in essence an exact match of the design approved by you on 09<sup>th</sup> Sept 2021 (ref: DM/21/2756). I am happy that he does not need me to act as his agent in this instance. I have updated the drawings with the new date as requested in your letter to him dated 11<sup>th</sup> June 2026. I have also paid the fee to Centre Maps for the renewal of the license required to reproduce the OS map extract.

Yours sincerely

Simon Fitzpatrick
