Comments Details

Comments:	The Committee of 22nd June objected to the application - as no arboricultural report was provided to support the necessity of the proposed felling and extensive trims.
	The Committee requested that the Tree Officer undertakes a site visit.
	The Committee do not consider there is sufficient evidence that all the works are necessary. Concerns were raised about the loss of trees which contribute to the landscape and the conservation area and have public amenity value. Particularly concerned about the felling of healthy Ash Trees.
	The Committee also objected to the application as it is contrary to: Mid Sussex District Plan

DP26 – Character and Design
DP35 – Conservation Areas
DP37 – Trees, Woodland and Hedgerows
DP38 – Biodiversity.

Kind regards
