Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I understand access to these houses will be via Birchen Lane & Gatesmead. I am concerned about the extra traffic particularly during the building phase of this project. The road surface in Birchen Lane is already in a terrible state and is likely to deteriorate further with use by building lorries and equipment. It is already becoming dangerous to use on bicycles.

Kind regards
