Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I have lived in Gatesmead for over 40 years. In that time the road has become increasingly busy due to the housing development at the end. Cars speed round the bend opposite my house and weave about in an effort to avoid the potholes. It is an accident waiting to happen. The road surface on the approach via Birchen Lane has disintegrated as a result of excess traffic and builder's vehicles. As a cyclist I find it very difficult to steer as the potholes bounce me off course. The state of this road can only deteriorate as a result of additional traffic. Our schools are full to capacity and

Lindfield Medical Centre is struggling to cope with the number of patients. We often have to wait a very long time for an appointment. This situation can only be exacerbated by additional housing.

Kind regards
