Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The risk of the local pub being extinct, when this is certainly needed to keep the village community going. The volume of extra traffic at peak times adds far too much risk to local commuter safety, at an already congested juncture or road use, with a Café, Fast food outlet and an already existing convience store.

Kind regards
