Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Primarily we reject the construction of a convenience store As the village of copthorne already has three and doesn't need a fourth, this would also bring additional traffic to copthorne which would increase traffic on our already over congested roads. I would be in agreement with the four flats if the pub was to be retained, the pub has been part of copthorne since the 1800s And is a important part of the village and it's history.

The space allocated for the convenience store would be better used as a New Doctors surgery or chemist .

Kind regards
