Dear Paul Whiby (RC227),

Thank you for submitting your site registration form (**reference RC227-10918A**) received on **16/04/2025** for Rose Cottage, RH17 5EN, Grid reference: TQ 305249

Based on the information you have provided, Natural England is satisfied that the works fall within the remit of WML-CL21 and that the three tests have been met. Please accept this email as confirmation that the site is now registered and you can commence works on site as described in your site registration form and in accordance with class licence WML-CL21.

Please find attached a **licence return form** which you must **complete and return to Natural England**(BatLowImpactCL@naturalengland.org.uk) within 4 weeks of completion of licensed works. If works will continue longer than you have indicated in your site registration form, please inform Natural England as soon as possible; otherwise your licence return will be expected no later than **28/07/2025**.

Confirmation of Natural England exemption from charge

In our acknowledgement email sent to you on 17/04/2025, we confirmed that your site registration will be **free**.

If you have any further queries in relation to this site registration, please do not hesitate to contact us on our email address below

Kind regards

Natural England
