Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	There are problems with the fact that we will overlook each other, straight in through the windows of both houses, which would be a problem for both houses' privacy. I have spoken to the householder and we both agree that strengthening the hedge and slightly increasing the height of part of the hedge between us, which is already substantial, would overcome these problems for

both of us. We have agreed to consult an expert to find a good way of achieving this.

Kind regards
