

RE: District Licence consultation query (DM/25/0097)

Hi Andrew,

Thank you for consulting me on the above planning application. Retrospective applications cannot be covered under the District Licence as any impacts have already occurred to the habitat. As the pond was infilled several years ago and we have no information regarding the site we cannot make a judgement on whether a wildlife crime occurred.

Kind regards,

Jennie Shea

District Licensing Officer (Great Crested Newts) – West Sussex
