Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object on the grounds of: Yet more loss of green space around Cuckfield and the infill of land between Cuckfield and Haywards Heath. Roads: already too busy in the village and some need repairing. Hanlye Lane in particular gets many potholes Bus service isn't regular enough throughout the day and weekends to reduce car use Doctors & schools - already oversubscribed Water: Cuckfield regularly runs out of water in the Summer Climate change: will the proposed development have solar panels, ground source heat pumps, photo voltaic cells etc.

Kind regards
