Reasons for comment:	
Comments:	This is a stupid idea! It is not the place to build this type of facility. Next to a bar/club that is open till midnight. There is nothing in the town to encourage people to want to be here in burgess hill. This type of facility will be home to people with learning difficulties, recovering drug/alcoholics and won't be the safest environments for them or the members of the club.

This building has been a part of old burgess hill and to know it
down for an ugly living facility is wrong

Kind regards
