Dear Mr Owens

Planning Application No: DM/26/0843
Floran Farm, Hophurst Hill, Crawley Down, Crawley RH10 4LP

I support this application which looks appropriate for local housing needs. The proposed site would benefit from a change of use from being a caravan park to a small housing development. The self-build model will allow for diversity in the buildings and it will help to fulfil the demand for this type of housing. It will not have a significant impact on the adjacent open landscape. It has my support.

Yours sincerely
