Reasons for comment:

Comments:	Dear planning office. I would like to object to this planning application, not only against the illuminated sign, which is totally out of character with the surrounding shops, but also I would like to object to a change of use to retail shop because there are plenty of shops already selling packaged food, snacks, drinks, tobacco and vapes. This will not add anything to the offering already on South Road. I strongly object to extending the opening hours to midnight Sunday to Friday, and 1am on Saturday night. this is totally out of keeping with the rest of the street, and with flats above and at the

end of a residential road I think it is unnecessary, unwanted by local residents and may create antisocial behaviour.
