Dear Anna

I note the comments from Place Services about Hazel Dormice in relation to the Equestrian Yard at Balcombe.

As you will know the proposals use the existing access with no proposed changes to the splay.

If anything, the number of traffic movements will reduce as the result of the proposals.

In our view there is no reason to undertake any further survey work.

We understand the point about lighting strategy in relation to bats and this can be controlled by condition.

Best wishes

Judith
