Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

4. No development shall take place, including any works of demolition, until a Construction Management Plan has been submitted to and approved in writing by the Local Planning Authority. Thereafter the approved Plan shall be implemented and adhered to throughout the entire construction period. The Plan shall provide details as appropriate but not necessarily be restricted to the following matters, the anticipated number, frequency and types of vehicles used during construction, the method of access and routing of vehicles during construction, the parking of vehicles by site operatives and visitors, the loading and unloading of plant, materials and waste, the storage of plant and materials used in construction of the development, the erection and maintenance of security hoarding, the provision of wheel washing facilities and other works required to mitigate the impact of construction upon the public highway (including the provision of temporary Traffic Regulation Orders), details of public engagement both prior to and during construction works.

Reason: In the interests of highway safety and the amenities of the area and to comply with Policy DP21 of the Mid Sussex District Plan.
