Reasons for comment:	
Comments:	Dear all for consideration I would like to offer support for the application. I have played padel for around 8 years, and it is great more opportunity to play locally in Sussex is available. This application in particular is of interest for numerous reasons, firstly being accessible, being a new unit on an established industrial estate, with great links from A273 and subsequently the A23. Also again being located on the industrial estate, will not have any objections from nearby residents as already will have footfall and vehicular access. I would welcome this to add to the Sussex Padel Community, as an additional resource. Many thanks for your consideration

Kind regards
