

Application reference: DM/25/1086

Site Address: 30 Quarry Hill, Haywards Heath

Site Visit Date: 14/05/25

North – The property is set back from the roadside by a front driveway and garden space which slopes upwards the main dwelling. To the existing rear elevation, the roof pitch steps down and there is an existing box dormer at loft level.

South – Rear garden amenity space stretches out in a linear format and looking from the roadside towards the south, the principal elevation displays tile hanging at first floor level and a flat roof front porch.

East – Neighbouring dwelling to the east is set closer towards the roadside which appears to have been extended to the rear elevation through a flat roof addition. Also has two rear dormers in a boxed shaped to the rear roof slope.

West – Adjacent neighbouring dwelling with a two storey gabled projection within a close proximity to the application site.

Streetscene – Residential dwellings featuring an some variance in external materials and tile hanging at first floor level featured predominantly. u
