DATE: 12th December 2025

Dear Sir/Madam

Rose Cottage Day Nursery The Old Sawmills Copyhold Lane Lindfield
Conversion of vacant adjoined barn into nursery space at ground floor level, alterations to ground floor layout and an increase of child numbers to 70 children.

I advise that your application DM/24/2733 was **Granted Permission** on **12th December 2025**.

I enclose a copy of the Decision Notice in relation to the above application. If you are acting as an Agent please ensure that a copy is given to the applicant. **Please read the notes accompanying this decision notice carefully.**

Please also be advised that this permission does not constitute an approval under Building Regulations. Before you proceed with your proposal you should ensure that a Building Control application is not required, or has been submitted.

Yours faithfully

Ann Biggs
Assistant Director Planning and Sustainable Economy

**TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (DEVELOPMENT MANAGEMENT PROCEDURE)
(ENGLAND) ORDER 2015**

PERMISSION

REFERENCE: DM/24/2733

DESCRIPTION: CONVERSION OF VACANT ADJOINED BARN INTO NURSERY SPACE AT GROUND FLOOR LEVEL, ALTERATIONS TO GROUND FLOOR LAYOUT AND AN INCREASE OF CHILD NUMBERS TO 70 CHILDREN.

LOCATION: ROSE COTTAGE DAY NURSERY, THE OLD SAWMILLS, COPYHOLD LANE, LINDFIELD

DECISION DATE: 12 DEC 2025

CASE OFFICER: ANDREW WATT - ANDY.WATT@MIDSUSSEX.GOV.UK

The Council hereby notify you that they **GRANT** planning permission for the above development to be carried out in accordance with the submitted application and plans and subject to compliance with the following conditions:-

Conditions

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.
2. **Approved Plans**

The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interest of proper planning.

3. Pre-commencement conditions

Any works which will impact the breeding / resting place of bats, shall not in in any circumstances commence unless the local planning authority has been provided with either:

- a) a licence issued by Natural England pursuant to Regulation 55 of The Conservation of Habitats and Species Regulations 2017 (as amended) authorizing the specified activity/development to go ahead; or
- b) evidence of site registration supplied by an individual registered to use a Bat Mitigation Class Licence; or
- c) a statement in writing from the Natural England to the effect that it does not consider that the specified activity/development will require a licence.

Reason: To conserve protected species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s17 Crime & Disorder Act 1998.

4. Prior to any works above slab level, a Biodiversity Enhancement Strategy for protected, Priority and threatened species, prepared by a suitably qualified ecologist, shall be submitted to and approved in writing by the local planning authority. The content of the Biodiversity Enhancement Strategy shall include the following:

- a) Purpose and conservation objectives for the proposed enhancement measures;
- b) detailed designs or product descriptions to achieve stated objectives;
- c) locations of proposed enhancement measures by appropriate maps and plans (where relevant);
- d) persons responsible for implementing the enhancement measures; and
- e) details of initial aftercare and long-term maintenance (where relevant).

The works shall be implemented in accordance with the approved details shall be retained in that manner thereafter.

Reason: To enhance protected, Priority and threatened species and allow the LPA to discharge its duties under paragraph 187d of NPPF 2024 and s40 of the NERC Act 2006 (as amended).

5. Construction phase

No work for the implementation of the development hereby permitted shall be undertaken on the site on Sundays or Bank/Public Holidays or at any time other than between the hours 8am and 6pm on Mondays to Fridays and between 9am and 1pm Saturdays.

Reason: To safeguard the amenities of nearby residents and to accord with Policies DP26 and DP29 of the Mid Sussex District Plan.

6. Deliveries or collection of plant, equipment or materials for use during the construction phase shall be limited to the following times:

Monday to Friday: 08:00 - 18:00 hrs;

Saturday: 09:00 - 13:00 hrs
Sunday and Public/Bank holidays: None permitted

Reason: To protect the amenity of local residents and to accord with Policies DP26 and DP29 of the Mid Sussex District Plan.

7. Pre-occupation conditions

No part of the development hereby permitted shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall thereafter be retained at all times for their designated purpose.

Reason: To provide car-parking space for the use and to comply with Policy DP21 of the Mid Sussex District Plan.

8. No part of the development hereby permitted shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with plans and details to be submitted to and approved in writing by the Local Planning Authority. These facilities shall thereafter be retained for their designated use.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies and to comply with Policy DP21 of the Mid Sussex District Plan.

9. No part of the development hereby permitted shall be first occupied until details of the refuse/recycling storage facilities have been submitted to and approved in writing by the Local Planning Authority. These facilities shall be implemented in accordance with the approved details and thereafter retained.

Reason: In the interests of the amenities of the area, to comply with Policy DP26 of the Mid Sussex District Plan.

10. Prior to occupation, a "lighting design strategy for biodiversity" in accordance with Guidance Note 08/23 (Institute of Lighting Professionals) shall be submitted to and approved in writing by the local planning authority. The strategy shall:

- a) identify those areas/features on site that are particularly sensitive for bats and that are likely to cause disturbance in or around their breeding sites and resting places or along important routes used to access key areas of their territory, for example, for foraging; and
- b) show how and where external lighting will be installed so that it can be clearly demonstrated that areas to be lit will not disturb or prevent the above species using their territory or having access to their breeding sites and resting places.

All external lighting shall be installed in accordance with the specifications and locations set out in the scheme and maintained thereafter in accordance with the scheme. Under no circumstances should any other external lighting be installed without prior consent from the local planning authority.

Reason: To allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended).

11. Post-occupation monitoring / management conditions

The materials and finishes of the external walls and roof(s) of the building hereby permitted shall match in colour and texture those of the existing building and in accordance with the schedule set out on the application form.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a development of visual quality and to accord with Policy DP26 of the Mid Sussex District Plan.

12. All mitigation measures and/or works shall be carried out in accordance with the details contained in the Bat Emergence and Re-Entry Surveys (BERS) (Arbtech Consulting Ltd., August 2025), as already submitted with the planning application and agreed in principle with the local planning authority prior to determination. This will include the appointment of an appropriately competent person e.g. an ecological clerk of works (ECoW) to provide on-site ecological expertise during construction. The appointed person shall undertake all activities, and works shall be carried out, in accordance with the approved details.

Reason: To conserve protected and Priority species and allow the LPA to discharge its duties under the Conservation of Habitats and Species Regulations 2017 (as amended), the Wildlife & Countryside Act 1981 (as amended) and s40 of the NERC Act 2006 (as amended).

13. The proposed building shall be used for Class E (f) (Nursery) and for no other purposes (including any other purpose in Class E of the Schedule to the Town and Country Planning (Use Classes) Order 1987, as amended).

Reason: To enable the Local Planning Authority to control the development in the interests of the character and amenities of the locality and to accord with Policy DP26 of the Mid Sussex District Plan.

14. The use hereby permitted shall not be operated on Sundays or Public/Bank Holidays or at any time otherwise than between the hours of 07:30 and 18:00 on Mondays to Fridays and 08:00 and 13:00 on Saturdays.

Reason: To safeguard the amenities of neighbouring properties and to accord with Policy DP26 of the Mid Sussex District Plan.

15. No more than 70 children shall be accommodated at the premises at any time in connection with the development hereby approved.

Reason: To ensure that the proposed development does not prejudice the enjoyment of neighbouring occupiers of their properties and to accord with Policy DP26 of the Mid Sussex District Plan.

Biodiversity Net Gain

1. This permission is considered to be one which **will not require the approval of a biodiversity gain plan before development is began** because it is considered that one or more of the statutory exemptions or transitional arrangements is considered to apply.

Please see the information contained within the notes to applicants/agents set out below.

Informatives

1. In accordance with Article 35 of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
2. You are advised that this planning permission requires compliance with a planning condition(s) **before development commences**. You are therefore advised to contact the case officer as soon as possible, or you can obtain further information from: <https://www.gov.uk/guidance/use-of-planning-conditions#discharging-and-modifying-conditions> (Fee of £145 will be payable per request). If you carry out works prior to a pre-development condition being discharged then a lawful start will not have been made and you will be liable to enforcement action.
3. Your attention is drawn to the requirements of the Environmental Protection Act 1990 with regard to your duty of care not to cause the neighbours of the site a nuisance.

Accordingly, you are requested that:

- Hours of construction/demolition on site are restricted only to: Mondays to Fridays 0800 - 1800 hrs, Saturdays 0900 - 1300 hrs, No construction/demolition work on Sundays or Public Holidays.
- Measures shall be implemented to prevent dust generated on site from crossing the site boundary during the demolition/construction phase of the development.
- No burning of materials shall take place on site at any time.

If you require any further information on these issues, please contact Environmental Protection on 01444 477292.

Human Rights Implications

The planning application has been considered in light of statute and case law and any interference with an individual's human rights is considered to be proportionate to the aims sought to be realised.

Plans Referred to in Consideration of this Application

The following plans and documents were considered when making the above decision:

Plan Type	Reference	Version	Submitted Date
Existing Floor Plans	101.1		07.11.2024
Existing Elevations	101.6		07.11.2024
Location Plan	101.8		07.11.2024
Existing Site Plan	101.9		07.11.2024
Proposed Floor Plans	102		07.11.2024
Proposed Site Plan	109		07.11.2024
Proposed Elevations	106		07.11.2024

Ann Biggs
Assistant Director Planning and Sustainable Economy

PEFULZ

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months (8 weeks in the case of advertisements, 12 weeks in the case of householder or minor commercial development) of the date of this notice *(see exceptions below)

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>. If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on Tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.uk.

- * If this decision relates to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.*
- * If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.*

Biodiversity Net Gain

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for the development of land in England is deemed to have been granted subject to the condition "(the biodiversity gain condition)" that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

The planning authority, for the purposes of determining whether to approve a Biodiversity Gain Plan if one is required in respect of this permission would be Mid Sussex District Council.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply.

Statutory exemptions and transitional arrangements in respect of the biodiversity gain condition that apply in this instance

Development below the de-minimis threshold, meaning development which:

- (i) does not impact an onsite priority habitat (a habitat specified in a list published under Section 41 of the Natural Environment and Rural Communities Act 2006), and
- (ii) impacts less than 25sq m of onsite habitat that has biodiversity value greater than zero and less than 5m in length of onsite linear habitat (as defined in the statutory metric).

Irreplaceable habitat

If the onsite habitat includes irreplaceable habitat (within the meaning of the Biodiversity Gain Requirements (Irreplaceable Habitat) Regulations 2024) there are additional requirements for the content and approval of Biodiversity Gain Plans.

The Biodiversity Gain Plan must include, in addition to information about steps taken or to be taken to minimise any adverse effect of the development on the habitat, information on arrangements for compensation for any impact the development has on the biodiversity of the irreplaceable habitat.

The planning authority can only approve a Biodiversity Gain Plan if satisfied that the adverse effect of the development on the biodiversity of the irreplaceable habitat is minimised and appropriate arrangements have been made for the purpose of compensating for any impact which do not include the use of biodiversity credits.

The effect of section 73D of the Town and Country Planning Act 1990

If planning permission is granted on an application made under section 73 of the Town and Country Planning Act 1990 (application to develop land without compliance with conditions previously attached) and a Biodiversity Gain Plan was approved in relation to the previous planning permission ("the earlier Biodiversity Gain Plan") there are circumstances when the earlier Biodiversity Gain Plan is regarded as approved for the purpose of discharging the biodiversity gain condition subject to which the section 73 planning permission is granted.

Those circumstances are that the conditions subject to which the section 73 permission is granted:

- i) do not affect the post-development value of the onsite habitat as specified in the earlier Biodiversity Gain Plan, and
- ii) in the case of planning permission for a development where all or any part of the onsite habitat is irreplaceable habitat the conditions do not change the effect of the development on the biodiversity of that onsite habitat (including any arrangements made to compensate for any such effect) as specified in the earlier Biodiversity Gain Plan.

The effect of Paragraph 19 of Schedule 7A to the Town and Country Planning Act 1990

If the permission which has been granted has the effect of requiring or permitting the development to proceed in phases, the modifications in respect of the biodiversity gain condition which are set out in Part 2 of the Biodiversity Gain (Town and Country Planning) (Modifications and Amendments) (England) Regulations 2024 apply.

In summary: Biodiversity gain plans are required to be submitted to, and approved by, the planning authority before development may be begun (the overall plan), and before each phase of development may be begun (phase plans).

Purchase Notices

If either the Local Planning Authority or Secretary of States refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
