Comments Details

Comments:	The Committee of 5th October would Recommend Refusal as being contrary to the following policies: The application is contrary to DP26 and DP29 and NPPF P3, which require noise to be minimised. H1 – BHNP - This application doesn't enhance the conservation area due to the noise and light pollution. The assessment is flawed as the residents evidence is that the courts have not been in use until 9pm to consider the impact during the temporary period.
