Dear Catherine

Please see below the comments for the above application as the portal is currently experiencing issues.

Worth Parish Council supports this application;

however, requests that officers consider the width of the access road and its suitability for construction and delivery of vehicles. Given the potential constraints of the road, appropriate measures should be put in place to ensure that the movement of materials and construction traffic can be undertaken safely and without undue inconvenience to neighbouring residents or obstruction of the highway.

With Kind Regards

Hannah Smith
